

Dear Commissioner,

3125199

I am writing in regard to the Downed Animal Protection Act (docket # 98P-0151/CPI). I recently learned about downed animals while reading Upton Sinclair's The Jungle in my 11th grade English class. We also learned that the processing of downed animals became illegal with the first food and drug act of 1906. I feel that the processing of downed animals is unsanitary and inhumane. I would like to encourage you to vote for the Downed Animal Protection Act. Thank you for your time.

Sincerely,  
Christi A. Evans
